Grant Project Title: _____

Brief statement of need/problem (motivation behind grant application):

Amount requested \$ _____ Attach a detailed itemized budget. Please provide as much information as possible about proposed expenditures and resources. The Deanna Maran Foundation for Non Violence generally funds projects that promise the most direct and immediate student impact. For this reason, salaries, stipends, presenter fees, overhead costs, travel expenses, food items and computer hardware are not normally within the realm of funding.

Number of Participants: _____ Project time-frame: _____

Non-Violence related objectives:

Abstract of project description:

Attach a one - to two-page essay detailing your project and its intended impact. When reviewing proposals, we look for clear and specific objectives and implementation strategies that not only establish the need for the requested resources, but also ensure their widespread and continued use. Projects should be small-scale, resourceful, student-focused, and sustainable in some way, rather than one-time-only events.
